

Water Repellant Preservative Treatment for Millwork Licensees

1.0 INTRODUCTION

The following describes the Licensees who comply with the IS4 for wood preservative treatment in the Hallmark Certification Program. Licensee recognition is based on 1) signing of the WD-15 WDMA Hallmark License Agreement, 2) signing of the WD-5 WDMA Hallmark Application, 3) final approval by the V.P. of Certification Services. The items with a * are suppliers of wood parts that conform to IS4.
